## Plant and Seed Swap

Re-Opening for a Second Season

By Former Ward Councillor, Peter Chillingworth

**Saturday May 21<sup>st</sup> at 11.00 am**

**at the Bus Shelter (near the Post Office)**

*Bring along your spare plants and seeds to swap*

### Community Plant and Seed Swap

**Plant and Seed swap** is exactly what it sounds like—a forum for **swapping plants** with fellow gardeners. **Seed and plant** exchanges allow gardeners in the community to come together and share **seeds**, cuttings, and transplants from their own gardens to **swap** with others.
