## Solar Cats Eye Pedestrian Lights along Station Approach

We are pleased to announce that Wakes Colne Parish Council has joined with Essex County Council to install solar cats eye pedestrian lights along Station Approach, to help alleviate the very dark conditions for those using the train, especially in the winter months. The Parish Council contributed £2,000.00 towards the cost. The remaining £9,000.00 was granted/funded by Essex County Council. This work was completed, in December 2017 just before Christmas. We hope it will make the area more pedestrian friendly.
