Hello fellow gardeners. Here is our latest information update!

Thankful for new Trees and Manure (!)

Our plot holders are not only generous with their time for others who need help, advice or gardening assistance but often donate plants and other items to fellow allotmenters. A recent example of this generosity are these 2 handsome young trees, given to the Association by plot holder Mawgan Toms and planted by Jan Jefferis who took the photograph.

Our thanks must also go to nearby stable owner, Pat Cannon, who recently arranged for a local farmer to deliver a load of well-rotted horse manure to the allotment gates. To recoup the delivery costs, we sold it on by the barrowload and it's proved a surefire hit!
