

Hello fellow gardeners. Here is our latest information update!

The Polytunnel

One of the benefits of being a plot holder at Wembury Allotments is the opportunity to apply each autumn for a space in our shared polytunnel. It allows members to get plants started earlier in the year and to make the most of the warmer conditions inside. The polytunnel has been part of the allotments project from the early days, providing a shared alternative to individual greenhouses. It remains a useful & popular resource for members, helping to extend the growing season and support a wide range of crops. This lovely early morning photograph by plot holder Bex Elsmere captures it beautifully and makes it look full of growing energy.

Plant and Bake

Please all join us on Saturday 9th May from 1200-1400 for our Grand Annual 2026 Plant and Bake, there will be a range of plants for sale and delicious savoury bakes and cakes, don't miss out!!

All are welcome to attend the talk at our AGM

Our AGM is on Thursday 7th May 7pm in the Village Hall. We have a speaker, Becky Searle, who will be giving a talk- "Understanding Your soil and No Dig Gardening". Becky is a garden writer with a background in ecology and botany. **You are all welcome** to attend the talk at no charge (but donations gratefully received!) so why not come along and listen to the talk and find out a little more about the allotments!
