Hello fellow gardeners. Here is our latest information update!

### Plot of the Year 2025-2026

The results of this year's Plot of the Year vote have now been confirmed. Following the public voting system introduced earlier this year and outlined in a previous issue of the Wembury Review, votes were counted and reviewed by the committee at their recent meeting.

Plot 9

Plot 9, cultivated by Barry Robins, has been awarded Plot of the Year 2025. The committee noted the quality of planting, the standard of upkeep, and the overall presentation of the plot.

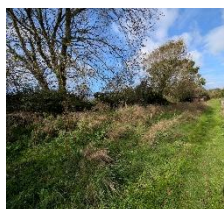

Plot 41a

A recognition certificate has also been awarded to Dave Wearing, Plot 41a, as runner-up.

Congratulations to Barry and Dave, and our sincere thanks to everyone who voted.

### Proposed Community Space at Wembury Allotments

The WAA Committee is considering the creation of a new community space within a current wild area of the site, which measures about 35 metres by 7.5 metres. One idea is that we could introduce a series of raised beds that could be used by people who would find a larger allotment plot too demanding, or who

just want a taste of allotmenteeing! The area could be divided into several smaller sections, including at least one with wheelchair access. Before taking this further, we would like to hear from the local community. Is this something you would support? Would you be interested in using the space? Your feedback will help shape our next steps. Please let us have your ideas at [wemburyallotments@proton.me](mailto:wemburyallotments@proton.me) or via any committee member.
