

## ***Parish Council News in lieu of August meeting.***

Just talked it through with Ashley and we can see no immediate need for an August meeting - you can all have a little break :)

I will be out on site at 4pm tomorrow to meet with TFB to discuss the feasibility study for a crossing in the High Street so may see some of you there.

Few bits to add:-

1. The sign for the bin asking residents not to deposit dog waste in the litter bin has arrived - will give to Ashley tomorrow

2. There are 3 cheques which I have written which need a signature, will hopefully get them signed tomorrow. For your information they are:-

Aylesbury Mains	chq 482	£50.88
Ann-Marie Davies	chq 483	£370.94
AVALC	chq 484	£20.00

3. Consideration of donation to the Church towards the upkeep of the footpath will be placed onto the September agenda for decision.

4. I will notify Community Impact Bucks of our plans to hold our next meeting on Tuesday 9 September and invite them to attend.

Please let me know if you have any issues with any of the above.

Kind regards

Ann-Marie Davis (Parish Clerk)
