**New members: Please say how you learnt about us .....**

**Existing members: Please indicate if you would consider becoming a walk leader. We are always looking for new leaders to help spread the load. YES/NO**

**CAUTION**

We have to warn those who walk with us that, while we hope you enjoy our rambles, you walk at your own risk. We would also ask that, for your own comfort and protection, you dress appropriately for the prevailing weather and choose footwear for conditions that may be muddy, or with long grass, nettles, brambles etc. You may also wish to carry your own first aid kit, drinking water and a snack. Dogs are normally welcome (see individual walk details for variations to this) but **must be kept on a short lead and under the control of their owner.**

**Note:** Receipt of your subscription assumes that you have read and accept the above paragraph.
