Dear Resident / Business Owner,

## Advance notice: Mortimer Lodge Culvert strengthening works

We are writing to inform you about upcoming structural repair works to Mortimer Lodge Culvert located on Lodge Road, Woodham Mortimer. Works are due to begin on Tuesday 23 September 2025 and anticipated to take approximately three days to complete.

To make the culvert stronger and more durable, we will be fitting a special liner which is designed to support highway loads and carries a minimum design life of 100 years.

In order to carry out these works in a safe manner, a road closure will be in place on Lodge Road at the culvert for the full duration. During the closure a signed diversion route will be in place using the following roads: Lodge Road, Maldon Road, Burnham Road and vice versa.

We appreciate that these works may cause temporary noise and inconvenience to residents for which we would like to apologise.

Please note that dates may change if we experience unsuitable weather conditions or if unexpected issues arise.

If you have any queries related to these works, please contact Essex County Council's customer service team via the online form:

EPF-MailMerge-OM1

<https://www.essex.gov.uk/complaints-and-compliments>. For urgent highway matters please telephone: 0345 603 7631.

To view information about these works and others in your area visit [One.Network](#).

We would like to thank you in advance for your patience and co-operation while we carry out these improvements.

Yours sincerely

Essex Highways
